## Parish Religious Education Programs

### Request for Volunteers

\_\_\_\_\_ welcomes children of all abilities into the religious education setting. To meet the varied needs of each child, classroom catechists and aides familiar with disabilities are needed to assist and support both students and catechists in providing faith formation for all our young people. Those with professional background, personal experience or a desire to assist in programming for children with disabilities are also needed. If you or someone you know is interested in volunteering their time, expertise and service to the needs of the Parish Religious Education Program (PREP) please call \_\_\_\_\_.

### Sentence that can be included with registration announcement:

*Our Parish Religious Education Program (PREP) provides classes for children of all abilities. Children with developmental, intellectual, sensory, physical or behavioral disabilities are welcome and encouraged to attend weekly (PREP) classes.*
