Celebrating Children at St. John Chrysostom

'Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven.' Mt. 19:14

St. John's welcomes the smallest and most exuberant members of our faith!

***To the parents of our young children,
may we suggest...***

Relax! God put the wiggle in your kids; you don't have to suppress it in His house.

Sit near the front where it's easier to see and hear.

Quietly explain the parts of the Mass. Sing the songs; pray and say the responses. Kids learn liturgical behavior by copying you.

Feel free to step out with your child if you need to, but please come back!

The way we welcome children in church directly affects how they respond to the church, to God and to Jesus. Tell them that they are an important part of this liturgy!

To all worshippers, may we suggest...

A smile of encouragement and a warm word are great kindnesses and most welcome to parents of small, active children.
